United Way of Clarion County has been making a difference in the areas of education, health, and income stability since 1971. You have helped us build a strong reputation by supporting high-quality programs that make a positive difference in Clarion County. We believe firmly in partnership and could not do this work without businesses like yours.

Here is your opportunity to, once again, affirm your commitment to the community with a 2018 United Way Event Sponsorship Package. With several successful fundraisers throughout the year, choose an option that gets your business' name front and center at each event or create your own package to suits your needs.

Enclosed is information about United Way of Clarion County's 2018 fundraising events and a description about how your sponsorship will be recognized at each. Show the community that you support United Way and in return, your business will receive exclusive benefits, recognition and co-branding opportunities.

Payment options are flexible - choose to make a one-time payment or installments throughout the year. Simply complete and return the enclosed Sponsorship Form prior to the press date to ensure that you get the most of your sponsor benefits.

Interested in a single event sponsorship or building a custom package? That information is there too. Still not seeing what you want? Call Melissa at (814) 226-8760 to discuss other ways your business can get involved with United Way, support our mission, and make Clarion County a better place for all.
