

# Savory Sampling

United Way  
of Clarion County

It's time for United Way of Clarion County's 10th Annual Savory Sampling. If you have not participated, you missed out on an event that has become an important part of our fundraising efforts and a tradition for many who attend. Our success is due to the generosity and quality of food that makes Savory Samplings the "go to" event each year. Once again, we are asking local restaurants, caterers, eateries, and other food and beverage businesses to be part of Clarion County's Ultimate Taste Test.

Savory Sampling is scheduled for [Monday May 7th, 2018](#) from 6:00pm-8:00pm at Clarion's Park Inn by Radisson. Only 300 tickets will be sold!

So how does Savory Samplings work? It's easy. We reserve tables and work stations for a limited number of local food and beverage businesses to offer their finest culinary creations. We provide table coverings, plates, utensils, and other supplies you may need. We add some great entertainment, an amazing raffle, door prizes, 300 guests eager to try tasty treats from the area's finest foodies, and there you have it, a recipe for success.

In exchange for your participation, your businesses name will appear on our posters and radio advertisements with a limited number of live spots available thanks to C93 Radio. Your contact information will appear on the evening's menu given to every attendee, and most importantly, is exposed to 300 potential new customers. We hope you will join us for an evening filled with food, friends and food!

Registration is simple. Just complete the enclosed form and send it back to us. A United Way team member will contact you to gather the details for advertising and promotions. To guarantee your space is reserved and your business is included in our advertisement package, please respond by March 22nd. If you have any questions or special requests, please do not hesitate to ask.
